

Greetings fellow Lions! This is my last article as your 1st VDG/DGE, but starting with the next newsletter, I will have moved from DGE to District Governor. I am looking forward to serving as your next DG. In the next newsletter, I plan to share my vision and goals for our District with the knowledge that you, my fellow Lions, will hold me accountable to achieve these goals. My theme is Proud to be a Lion.

The District Governor's contest has undergone a change which I hope will encourage every club, large or small, to strive to compete.

As I begin to put the finishing touches on the District Directory, I want to thank the club secretaries who completed and sent the PU 101 Report and to encourage those who have not submitted their club's PU 101 to please complete and send ASAP.

Please thank the officers of your club for the leadership they have provided your club. In today's fast paced world, sometimes a kind word is the greatest gift you can give a fellow Lion for a job well done.

The Multiple District plans to form an ad hoc committee to address the issue of Convention Attendance by grass root Lions. If you are interested in representing our District, please contact me by July 12th at:
